Continuation of Substance of Interview including description of the general nature of what was discussed: Claims 68-81 describes an article including computer readable media. The specification page 21 describes a computer readable media to include a signal. Thus, describing signal claims. The examiner suggested amending claim 68 to be limited to computer readable storage media. Thus claiming away from signal claims. Claim 68 was amended to read a computer readable storage media. Claims 69-81 depend on claim 68. Therefore, amending the dependent claims .
